Greystones administratio

School Board

The Board of School Directors consists of nine elected officals who set policy for the school district in accordance with the laws of Pennsylvania and regulations of the Department of Public Instruction. They serve without pay in a continuing effort to provide an educational program, carefully budgeted, that best serves the school district and its children. To implement its policy, the school board appoints the superintendent and other members of the administrative team.

Principals

This year Haverford students and faculty flourished under the superior management of the principals. Mr. Drukin showed his customary zeal for improved education and significant student activities. The grade level principals, Mr. Hamilton, Mr. McFadden, and Mr. Leute, helped organize, oversee, and regulate the different aspects of the school calendar. In a year when many changes were occuring all over the school, these capable administrators kept the school functioning efficiently.

Guidance

This year the Guidance Department was moved into a more efficient and accessible spot. From the Leedom House, the Guidance Staff moved into offices in the new wing of the school. This move helped guidance services become more attainable to a great number of students, who were able to see the counselors themselves, use the VICS computer, or peruse the college library easily.

The English Department, headed by Mr. John Rybnik, continued to offer a great number of courses to best satisfy the varied needs of the students. Sophomores were required to take Sophomore English, which includes notetaking, study habits, and standardized test taking. Most juniors took a required American Literature course, while most seniors' courses dealt with British Literature. Placement English was offered. This year, in all levels, there was a great deal of emphasis on composition. The English Department offered a wide enough range of courses to interest as many students as possible.

Social Studies

This year the Social Studies Department was headed by Mr. Samir Kassees. All sophomores took the required World Cultures course, which dealt with concepts of cultures and Western civilizations. Tenth graders were also exposed to a several week study of comparative religions. The juniors were required to take American History, a course which dealt with America's political and foreign relations, social reforms and economics. Electives were also offered to enable students to further their knowledge in different social studies fields. Electives included such courses as Modern European Studies, Sociology, and Psychology.

Mathematics

Mathmatics is a challenging subject today. Mr. Robert LoFurno and his department have done an admirable job of keeping students up to date in the math field. A majority of students continue their mathematics courses right through their senior year, though only one year of math is required. There are many interesting and challenging courses given to all grade levels including Computer Concepts, Industrial Math and others. There are also accelerated courses for the advanced students. These include Calculus and MIA. The Math Department has been very successful in teaching students this challenging subject.

The courses of study offered were Biology I and II, Chemistry I and II, Physics I and II, Comprehensive Science, Physical Science, Electronics, and a variety of biological sciences at Allgates. These diversified subjects gave the students a firm scientific background and were a good basic introduction to the different fields for the future science student.

Language

Haverford's Language Department continued in its tradition of excellence. Under the leadership of Mr. Frank Salvatore, foreign language students were exposed to the grammar, literature, history, and culture of the language studied.

Again this year, the department's big event was the popular International Dinner. Each language club participated by providing ethnic entertainment and exotic food.

Foreign Language students are able to expand their knowledge and are given a key to the world.

Business Education

The Business Education Department, led by Mr. Frank McHugh, has prepared students for a future in the business world. Along with courses such as typing, shorthand, and accounting, some students received part-time jobs to become more familiar with business practices. The Business Department of 1980-81 has provided the skills for the students' future success in business.

The Creative Arts Department encompasses a large variety of subjects. Choices range from music and home economics, to industrial arts and art majors, ceramics and drafting. Under the guidance of patient teachers and with the use of new and better facilities, students practice creative skills and acquire knowledge which they can use in the future. These courses are very practical and enhance the students' abilities. This department allows Haverford students to exhibit their finer talents.

School Supply Store

One result of the removation to the high school was the moving of the school store. The new quarters, vacated by Mrs. Clark's a.v. crew, was much larger than the old location near the auditorium. In addition, the student senate assumed control of the store.

Infirmary

The Medical Department must handle any kind of health problem imaginable. Mrs. Smeck and Mrs. Williams are the familiar faces that try to cure any ailments.

The atmosphere in the nurses' office is very friendly. Pamphlets on almost anything from your eyes to marijuana can be obtained just for the asking.

So, for many Haverford students this year the treatment for any problem was just to visit the nurses' office, — if only for some good advice.

Transportation

Mary Ann D'Elia

Transportation has assummed an increasingly important role in the operation of every modern school. Under the direction of Mr. Hank Carrol, numerous students are transported safely to the locations of their individual educational assignments. Bus routes include all the public schools in our district, the area vocational technical schools, and some of the private schools, too. The activities supported are as varied as the locations to which they go. In addition to the usual home to school runs that comprise the bulk of the work, sports teams and class field trips fill the busy schedule. Some of the work even extends beyond the normal day and week. Pictured on these pages are some of the drivers who daily make their way to the high school on their important but often unnoticed job.

Library

Haverford High students were fortunate to have access to a brand new library facility this year. Although its opening was delayed until early November, the library's size, equipment, and layout enabled students and faculty to use the library more efficiently and more often.

As always, Mr. George Steinrock, the librarian, was eager to help students with their varied assignments. Mrs. Claire Stratton, library assistant, and Mrs. Nancy Doubleday, secretary, also were available to assist students.

Those who go to Allgates have an opportunity to take biology, social studies, English, and gym in a very relaxed atmosphere. These courses taught by Mr. Long, Miss Harrison, Mrs. McGarvie, and Mr. Bush provide each student with knowledge and experience in these subjects. The atmosphere prepares the student for college by having him study independently and showing him how to balance his time. The experience that the student receives at Allgates is a very valuable one which will help him in the future.

Cooperative Work Study

Cooperative work study, organized and run by Mr. John Keefe, is a program that permits students to work while attending school. The program enables students to take their required courses at Haverford High School for part of the day and then work the other part of the day. The employment experiences give the students preparation for the future and credits toward graduation. In addition, Mr. Keefe provides advice on all aspects of employment.

Vo-Tech

The Vocational-Technical program is under the direction of Mr. Jack Smith, guidance counselor. Participating students spend half of their day, either in the morning or the afternoon, at Haverford and the other half at one of the following schools: Marple, Folcroft, or Aston.

Vo-Tech offers 50 courses in certain areas, including building construction trades, automotive, electrical, graphics, scientific, and health occupations. Many participate in district, state, and national competition in their fields. Vo-Tech provides good background for further training and career opportunities.

Marching Band

The 1980 Marching Band

The Marching Band of 1980-81 had a very successful year. Besides entertaining the Haverford fans at each half-time, the band treveled to Bandarama competition at Marple Newtown and received a "superior" rating. This year's Marching Band, supervised by John A. Trainer and led by Drum Major John Santoleri, had an all around "superior" year.

The Haverford Football Team forded ahead to an overall record of 10-1 (7 and 1 in the league). Led by a superb coaching staff headed by Mr. Hal Bauer, the team played to a tie with Ridley for the Central League Division Title. The team compiled ten victories which is a first for any Haverford Football team along with having six shutouts and beating Cochamp Ridley for the first time at Ridley. Captains consisted of John Muntz (named to the All-Delco Team) and the player of the week appointed by the coaching staff for great play in the previous game. Many seniors had excellent seasons and will be missed next year. Overall, the Haverford Football Team proved they had the spirit and drive to make the Crimson and Gold triumphant evermore.

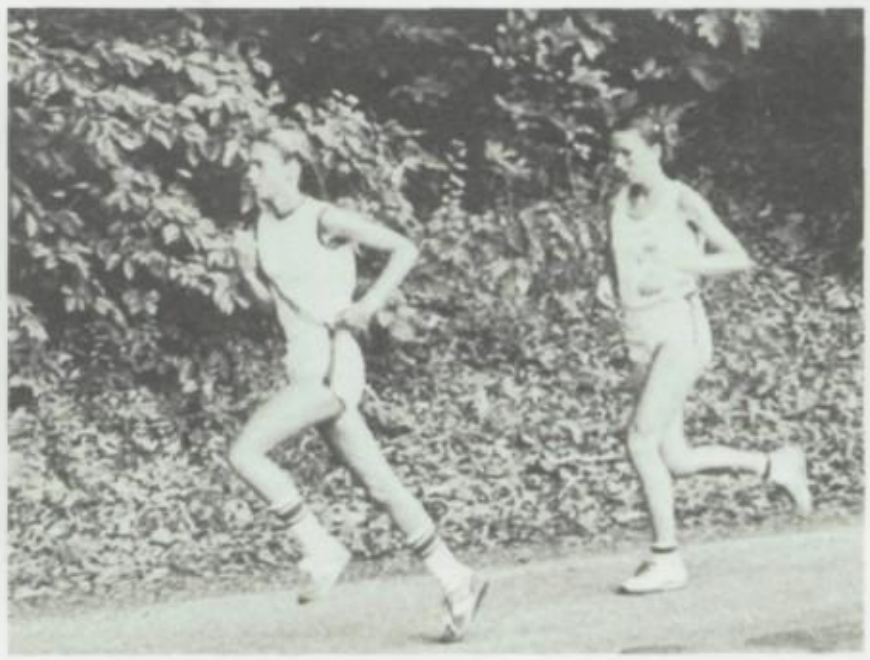
"On your mark, get set . . . "



The runners pace themselves as they traverse the course.

The 1980 Boys' and Girls' Cross Country Team was a success, not only in terms of its excellent overall record (24-4 for three teams) but also because it was a team that worked up to its ability. The team enjoyed working together and winning. Most of all, they enjoyed each other. The season was a success because it was fun for the runners, for the coaches, and for the parents and friends who had the pleasure to be involved. This year was a reward in itself and the moments together are moments to remember.

Now where did that contact lense go?

The Golf Team, under the direction of Mr. Brodt, had a successful season. In the league, their record was 4-2, and overall their record was 5-3. They came in second in the league. The team consisted of Jay Desjardins (their number one player), Mark McCanney (a sophomore whose record was 7-1), Buddy Aiken (a freshman whose record was 5-1), *Mark Feeny, Paul Sarat, Ken Brett, Mike Mariani and Doug* Grossinger. This year was the first time in 11 years that two golfers, Mike Mariani and Mark McCanney, qualifed for district tournament. Because of this year's balanced team, Mr. Brodt is looking forward to an even more successful season next year.

The 1980-1981 Girls' Tennis Team, coached by Mrs. Linda Berry, ended their season with a varsity record of 5-3. With only two seniors, the underclassmen provided the bulk of the effort. Varsity members included Captain Ellen Voynow, Steffi Seligman, Robin Blum and Lauren Newman as the singles players. Varsity doubles teams were Natalie Finkleman/Randi Barsch, Amy Abrams/Sarah Meyers, and Janet Slater/Nora Margolis. The team was fortunate this year to receive assistance from Mr. Jim Greene. Mrs. Berry expects even more success from these experienced players next year.

Greystones eighty-one

Mrs. Corcoran, Literary Advisor

Mr. Elliott, Faculty Advisor

Would you believe that this is the 55th edition of **Greystones?** That means for six decades, students from the senior class and some from the junior have worked long and hard to produce this book. And this year's staff of **Greystones '81** has managed to keep up the tradition of excellence.

We've recorded the moments of victory, memories of people, all of the things that make a yearbook what it is. Years from now, you'll look back and smile at a teacher you liked, recall the prom and remember old friends.

Special thanks go to all who have devoted their time and effort to this book. To Mr. Elliot, our advisor, well, this book just wouldn't have been here without him. To Mrs. Corcoran, our literary advisor, we thank her for all of her attention to our literary needs, both large and small. And we'll always be indebted to Mr. Hughes, who always managed to be there when we needed him.

Our editorial staff this year was on the small side, but we stayed afloat anyway. The crew consisted of Jackie Kahn, Mindi Gittis, Daryl Gurian, Roberta Shaner and Diane Johnston, with Eileen Kahn as our literary editor. Thanks also goes out to everyone else, the photographers, sales staff, literary staff, etc., who helped to pull this book together and make it what it is.

Your high school years will be a part of you forever. We, on the staff of **Greystones '81,** have collected your memories together, with words and photos, between a cover. I can only say that I hope you enjoy this book, because we've done our best to make it what it is for you.

Again this year, the Photography Club was under the direction of Mr. Fred Hughes and Mr. Joseph Elliott. Besides contributing to the **Greystones** and **Fordian,** students were able to use darkroom facilities to practice developing, printing, and enlarging negatives. Many school publications, clubs, and individuals benefited from the service provided by this club.

"Don't look!"

Mr. Mussari gives some pointers to his Editor-in-Chief, Ellen Voynow.

Under the leadership of Ellen Voynow, **The Fordian** went off to a good start this year as the eager reporters and editors worked diligently to produce a superior Haverford High School newspaper.

For fifty years of publication, **The Fordian** has printed news of both community and school. The newspaper offers general school news, editorials on current issues, news of our sport teams, and feature articles on clubs and other various subjects.

Under the direction of Mr. Mark Mussari, **The Fordian** is composed of editors and reporters who strive to bring news and entertainment of Haverford to its students.

"Let's put a mustache on this one."

WHHS

Haverford's radio station, WHHS, is said to be the oldest non-commercial educational station in America, going on the air in 1949. This year WHHS, 89.3 FM, was more than just an extra-curricular activity. It was also offered as a class during the 10th and 11th periods. In this course, students learned all aspects of radio, including radio history, newswriting, sports copies, and information on the jobs of the department heads. The various departments were led by Keith Smeal(Chief Engineer), Betsy Frost(Music Director), Kevin Coyle(Production Manager), Dan Grubbs(Public Service Director), Denise Nejame(Promotion Director), and Dave Foky(Program Director). The whole operation was led by Ms. Trish Naber, who helped everyone by using her professional radio experience to the fullest extent possible.

The **Pen & Ink** magazine published a winter and a spring issue consisting of literary and art works contributed by students of Haverford. The 25-member staff meets once a week and more frequently near deadlines to select and revise the pieces that will appear in print. Mrs. Inman is Literary Advisor, and Mrs. Fanelli is the Art Advisor.

Pen & Ink continued to provide students with the opportunity to see their work in print as well as enjoy literary and artistic works of fellow students.

The Student Senate is the student body government of Haverford. Each class chooses four senators to represent them in meetings throughout the year. Senate meetings are open to anyone who wishes to suggest improvements or changes in our schools, or who has a complaint that he wishes to voice. This year's Student Senate was headed by Lisa Epps and faculty advisor, Mr. Ed Weiss, but the entire senate contributed to all of the activities. The senate gained control of the school store this year and sold many needed items. Other activities included candy sales, feature movies, and the Homecoming Dance. The senate also furnished funds for other school clubs and provided two seniors with monetary scholarhip awards.

The National Honor Society was headed by President Cheryl Koch, Vice-President Wendy Karp, Secretary Mary Pat Stein and Treasurer Kim Eberle. It was co-sponsored by Mr. Warren Brodt and Ms. Sandra Besaha. The National Honor Society raised money with an Annual Jog-a-thon and the sale of stationery pads. The proceeds from these fund-raising events went towards an Alumni Tea in December and two scholarships, one for a member of the society and one outside the organization. New junior and senior members were inducted in May.

A.V. Club

Mrs. Donna Clark and her group of skillful aides had an extremely busy year. Not only did they have the task of distributing and running the school's A.V. equipment, but they had to relocate this year to a new facility in the new wing of the school. Although the move initially meant an added burden, the new, larger facility will make the job of organizing the A.V. department much more efficient.

Stage Crew

"On with the show!" is the cry, and Haverford's Stage Crew is right there beckoning the call. Whether we be in need of lights, sets, or sound, Mr. Mulhern and his "wild and crazy" bunch are always there to lend a helping hand for assemblies, pep rallies, shows, concerts, or anything else that needs the use of the stage. The Stage Crew is definitely an asset to our school and they certainly make all of our performances shine brighter.

Aides

Within every efficient office lurks an aide. Aides provide a variety of services in the administrative offices, in the library, and in the nurses' office. Often unnoticed, the aides run errands and do light clerical work to help lighten the overwhelming load of paperwork in the offices. The aides' assistance is invaluable.

The Service Club is an organization dedicated to helping people, including those outside of the high school. The club supports a foster child in Indonesia, and provides two scholarships for graduates of the class of the current school year. The funds are raised through activities such as Hoagie Day and Carnation Day. This year the club lent its services to the American Cancer Society by selling lollipops. Members also act as ushers for various School presentations.

This year's club officers were: Sharon Martin, president; Amy Abrams, vice president; Margo Herron, secretary; Daria Angelina, treasurer. Mrs. Carolyn McGarvey was the faculty advisor.

Hoagies are handmade by club members.

Carnations are sold during all lunch periods.

Legacy

Sue Height prepares paints.

Legacy, a unique course offered this year for the first time, is a "hands-on" opportunity for students to work on improving the physical aspects of our school. Goals of the course are to promote student involvement, develop a sense of pride, and decrease graffitti. Students do all of the research, planning, designing, purchasing, and construction. The group's first major project is treating the new building lobby, and they are attempting to redecorate the Early Childhood Development Center. Run by Mrs. Janice Fanelli and Mrs. Louise Winheld, the course is open to any student as a major or a minor.

The Legacy Committee sponsors many worthwhile projects around school.

The Students for a Better Community finished their first ten years of service to the community. Stemming from interest in the environment in the 1960's, succeeding groups of students have worked on numerous activities. Over the years, these have included clean-up of stream and park areas, assistance in the changes of community attitudes toward both the incinerators and sewer plants, and an ongoing effort toward the recycling of glass and paper. For many years the recycling center was operated by the students. Final success was realized when the township recognized the value in the effort and took it over this year. Currently, the group is recycling paper in the high school. The future project will probably be water conservation. Miss Ann Gilbert has encouraged and sponsored this activity from the beginning.

Mixed Chorus

Haverford's Chorus had a very eventful year. They welcomed back Mr. Conaway from his sabattical leave and participated in a spring concert and a winter concert. They also entertained our community in a variety of other concerts. One of their efforts was a sing-a-thong that raised money for the exchange program that took place in April and May. Under Mr. Wayne Conaway's direction they had a very successful year.

Band

The 1980-81 Haverford High School Band, led by Mr. John Trainer, completed the school year in style. During the year this talented group participated in a winter concert, spring concert and invitational shows. Car washes and hoagie sales were held to support their activities. The year's work was entertaining for all who had a chance to listen or participate. The smaller stage band performed in their turn, too. Most of the members of these two organizations also participate in the marching band during its season.

Orchestra

The orchestra, under the direction of Mrs. Joyce Prichard, had a busy and productive year. Among their activities were a winter and spring concert and various community performances. A hoagie sale and a car wash were held to raise money for the group's activities. The Richmond Exchange program was a climax to a year that swung with success.

Under the direction of Mrs. Frances Dean and Mrs. Louise Smith, the World Affairs Club had a very successful year. This year's officers were Andy Kaplan (pres.), David Wright (v.p.), Lisa Shapiro (treas.), and Daryl Gurian (sec.). The club had a very busy year. Highlights included a model UN at Yale, a trip to New York, cookie sales, and discussions on the new Reagan administration.

What happens when a bunch of Northerners gets together with a bunch of Southerners? Fun!! This year's Close-up was very special. Not only did the group get to meet their Senators and Congressmen, learn about lobbying, and talk about the North-South problems of the U.S., but they also had the excitement of being in Washington during the inauguration when the hostages in Iran were freed. This year's Close-Up was a unique experience.

Mr. Brodt and Mr. Lo Furno compute the perfect It's Mathematical team!

It's Mathematical, under the direction of Mr. Robert Lo Furno, is a mathematical quiz program. It's Mathematical contests are similar to Hi-Q meets except that the team answers are a wide variety of mathematical questions. The players compete once a month with eight other area high schools. The members have an opportunity to sharpen and test their mathematical skills.

German Exchange

German exchange students arrive at Haverford.

After an interruption of one year, Haverford Senior High had the good fortune in 1980 of resuming its German Exchange Program with Maria Theresia Gymnasium in Munich. Under the direction of our principal, Mr. Drukin, and faculty sponsors Mr. Laird Shively and Mr. Ted Keyser, the German students, accompanied by Herr Anton Heinz and Herr Gerhard Dill, enjoyed a very busy three week stay at Haverford. The activities included a day at *Great Adventure*, a visit to *Washington, D. C.*, attendance at a Phillies game, and numerous other tours and outings in the Philadelphia area. The Haverford hosts were guests in Munich during the months of June and July. During their stay, they became acquainted with life in Munich and took numerous sightseeing trips.

International Club

The International Club, sponsored by Mrs. Barbara Carmone, was made up of eighteen students, mainly from foreign countries including Venezuela, Brazil, and Asian Countries. This lively group gathered every two weeks and participated in a variety of activities. They have visited the Grange Estate, gone skating, had holiday parties, and entertained at the annual International Dinner. Participants feel that the club is very worthwhile because its activities allow club members to meet other people.

Front row: June Lee, Chris Ly, Ileama Gonzalez, Tai Pham, Iris Reason, Thang Ly, Mohammed Almousa. **Second row:** Chien Ly, Mrs. Carmone, Jorge Lizarralde, Melanie Morrison.

Language Clubs

To learn more about a language than is learned in a classroom, a language club is the answer. Language club members have a chance to learn more about the foreign cultures. This year, the clubs were very active. They all participated in the International Dinner, which involved the dancing, singing and food from the different countries. Each club had fund raisers, such as bake sales and memo board sales. Each club also organized individual activities. For example, the Spanish club took a trip to a Spanish restaurant. All together, the clubs provided students with an interesting way to learn and enjoy a different language.

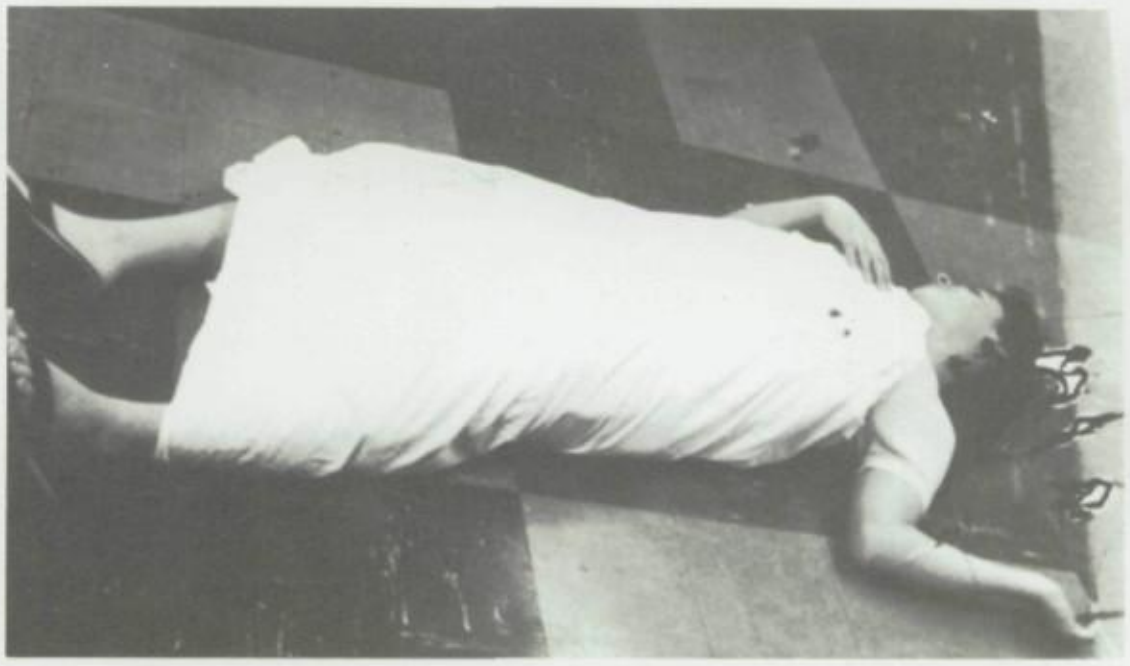
'Il est Bel et Bon' was performed by four members of the French Club.

The German Club sang 'O Alte Burschenherrlichkelt' for the enjoyment of the audience.

The International Dinner was the highlight of the year for the language clubs. It was held on February 11, in the school's cafeteria. This event ties together the five cultures studied at Haverford. The menu consisted of Latin, Italian, Mexican, German, and French specialities. After the meals were served, each club provided entertainment that was representative of that language's cultural heritage. All in all, it was a successful event where the learning of the cultures was made enjoyable.

Tell me, who could have killed . . .



. . . Julius Caesar?

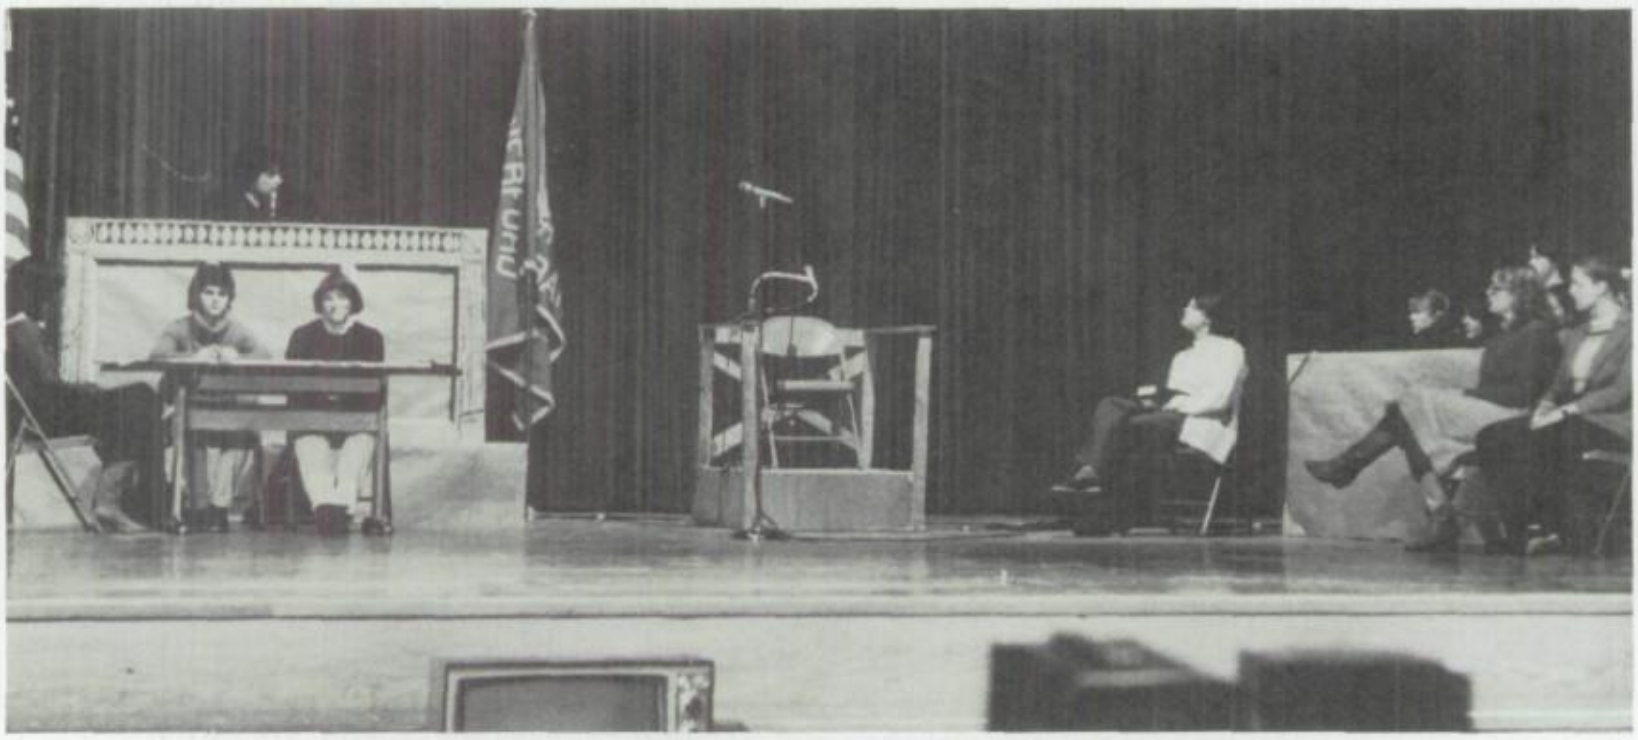
The truly international members, those who have come from over seas, carry their portion of the entertainment-,too.

The Italian Club ended the evening with 'Bella Ciao.'

Mock Trial

Haverford students taking Mr. McHugh's "Law and Society" class have a unique opportunity to participate in the functioning of our judicial system. With Mr. McHugh's guidance, students contrive a legal case, and then they carry out a "mock trial". Students take the parts of judge, attorneys, court reporters, witnesses, and defendent. A jury, selected from student spectators, decides the verdict based on a week long case.

This year the defendent was Denis Gray; his attorneys were David Brenner and Lauri Irwin. Prosecuting attorneys were Jay Desjardens and David Bravo. The judge was Mark Green. Although both sides did an admirable job of presenting their cases, Mr. Gray was found guilty.



"You may call your first witness."

Here we go.

"Are you sure that is what happened?"

"All attorneys please approach the bench"

"That man is wrong!"

Scott's Hi Q

Under the direction of Miss Ott, Scott's Hi-Q is a club composed of some of Haverford's brightest students. The team competes in a number of meets against two schools. During these contests players are posed a series of questions on a variety of topics such as current events, history, music, and literature. One of the team's accomplishments this year was the breaking of a national record for the number of points scored in a single match. Haverford's Hi-Q team had a very successful year.

Front row: Brighsn Bentley. **Second row:** Carlo Zanger, Diane Hoi. **Third row:** John Delaney, Jed Shumsky, John Riblet, Mr. McGinley.

The Science Fiction and Fantasy Club is composed of students who share an interest in science fiction and fantasy. Sponsored by Mr. John McGinly, the members meet to discuss their common interest in the fields of literature, film, television, art, etc.

Sponsored by Mr. James Hughes, the War Games Club met regularly to participate in a variety of games that involve the strategies of war. During meetings, students not only play games but they also teach each other new activities related to war.

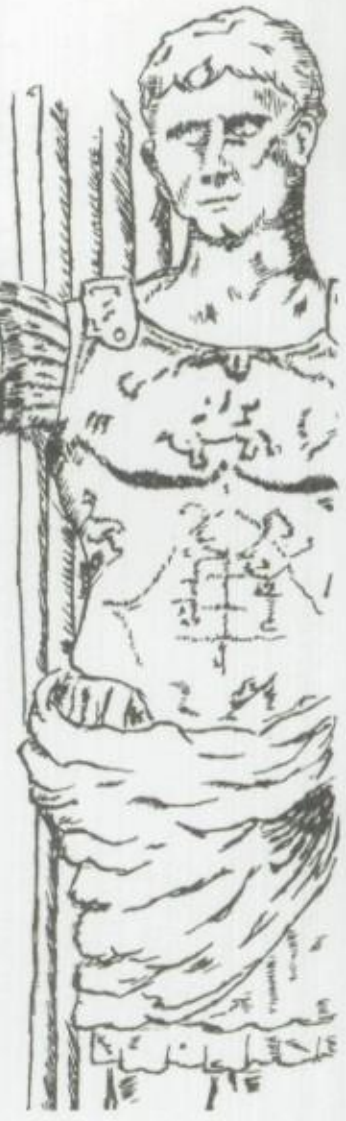
Senior Prom



The Class of '81's Senior Prom was held at The Twelve Caesars. The unforgetable event took place on May 1st. Couples danced to music from Zodiac. The announcement of Prom Queen was eagerly awaited by the seniors and their dates, as well as by the court consisting of Beth Roberts, Kimberly Decker, Sandi Hurtubise, Sandi Collymore, and Lisa Ward. As the dance came to an end and everyone reluctantly strolled out, the one thought on their minds was that these are "The Best of Times."

Junior Prom

Dancers have fun dancing to the music of "On the Rocks".

The Class of 1981 held the annual Junior Prom at the St. David's Inn on Friday, May 9, 1980. Everyone enjoyed dancing to the music of "On the Rocks". The Prom Court included Janet Maskowitz, Margo Herron, Cindi Patterson, Karen Rush, and Sue Keehn. Margo Herron had the honor of being crowned Prom Queen. This event will be remembered "longer than" a lifetime.

And the Homecoming Queen is . . . Kathy Kelly!

Starting with a great pep rally, Homecoming was certainly a memorable event. Due to the delay of the reconstruction of the Senior High gym floor, the Homecoming this year was held in the Junior High gym. The festivities, as usual, were kicked off by the annual bonfire, which was spectacular. The band "South Broadway" provided the excellent music. The Homecoming Court consisted of Lori Meter, Sharon Martin, Laura Nyhart, Beth Ann Hamilton, and crowned queen Kathy Kelly. Homecoming was culminated by the Haverford Football team's outstanding victory over Upper Darby to achieve a tie for first place in the Central League.

A happy Kathy Kelly is crowned.

Class of '83

The Class of 1983 was greeted by a newly renovated high school. For many members of the class this is an old story because this is the class that has followed the renovation program through the school district.

Fund raising activities, dances, and class meetings were planned by class officers: Chris Duska, predisent; Alf Cromwell, vice-president; Kathy Kearns, treasurer; and Lauren Newman, secretary. Good omens continued to promise a future of success to this class, the first of the 1980s to complete high school in the new decade.

CLASS OF '81

The Senior Class, led by President Jay Desjardins, Vice-President Margo Herron, Treasurer Andrew Kaplan and Secretary Karen Rush, had one of the most successful years in Haverford history. Working with the Student Senate on homecoming and selling carnations at the football games were the first major projects of the class. Donkey Basketball was sponsored for the second year by the class of 1981. Throughout the year, the seniors also sold small items such as Chinese yoyos and candy. The money made from all of these events went towards the Senior Prom. The class of 1981 held its prom at the City Line Dinner Theater and it was an evening that was filled with many unforgetable memories.

Clockwise from top: Margo Herron, V. Pres.; Jay Desjardins, Pres.; Karen Rush, Sec.; Andy Kaplan, Treasurer.

Dear Class of "81":

By now you have realized that the purpose of education is to help you continue to educate yourself.

Education will assist you in becoming productive and useful; it will make the difference in your life.

"Life is not a having and a getting but
a being and a becoming."

Do your best! Be you!

Sincerely,

Mel Drukin
Principal
